Specification

Specification	Details
Face Recognition Capacity	1,200 (1:N)
Fingerprint Capacity	5,000
Card User Capacity	1,200
Maximum User Capacity	1,200
Log Storage Capacity	1,50,000
Authentication Modes	Face, Fingerprint, Card, and Password
Door Control	Output relay for secure door operations
Fingerprint Adaptation	Reliable on dry, moist, and rough fingerprints
Power Efficiency	Low electric power consumption
Durability	Engineered for long-term robust performance
