Specification

Specification	Details
Model	SF100
Display	2.4-inch TFT Color Screen (320 x 240)
Fingerprint Sensor	Optical Sensor (500 DPI)
Algorithm Version	V10.0
Communication	TCP/IP, RS485, USB Host
Fingerprint Capacity	1,000
Card Capacity (Optional)	5,000 (EM / IC Card)
Transaction Records	80,000
Access Control Interface	Electric Lock, Door Sensor, Alarm, Exit Button, Doorbell
Power Supply	DC 12V / 3A
Operating Temperature	0°C - 45°C (32°F - 113°F)
Operating Humidity	20% - 80%
Dimensions (W x L x H)	90 x 90 x 34.5 mm
